Apprentice Electrician

Flavourtech is an Australian company, which manufactures high technology process equipment for the food and beverage industries. The company is enjoying substantial success internationally and domestically, selling innovative systems based on its unique Spinning Cone Column and Centritherm Evaporator technology.

Complementing this, Flavourtech's Electrical Division has established itself as a high-quality manufacturer of electrical switchboards and control panels, with a strong focus on quality and meeting customer requirements and expectations.

Flavourtech has not only proven its resilience with weathering the uncertainties of 2020, in the past it has been recognised at the 2018 National Export Awards, winning the 'Manufacturing' category and has consistently been nominated as a finalist in the 'Outstanding Employer of Choice' and 'Excellence in Export' categories in State Business Awards.

We seek a suitable person to join our electrical manufacturing team as an apprentice electrician. Reporting to the Electrical Manager & Workshop Supervisor the role entails various aspects of the electrical trade including:

- Design, wiring, testing and installation on all types of Switchboards and Control Panels
- Planning, installation and testing of field cabling and its support on plant & equipment
- Undertake new installations, preventative maintenance & fault finding in industrial facilities
- Adherence to workplace, Health & Safety site standards
- Undertake and complete Certificate III in Electro-technology through the NSW TAFE in Leeton

The successful applicant will have the following qualifications and/or experience:

- Minimum Year 10 NSW School Certificate
- Must possess a genuine interest in the electrical industry
- As a minimum have a Class 'C' driver's license
- Current OHS White Card

The successful applicant will:

- Be committed and self motivated
- Have the ability to work in a highly motivated and empowering team environment
- Have good organisational skills
- Have excellent interpersonal, oral and written communication skills
- Strong computer skills will also be highly regarded

The required on-the-job training will be provided by Flavourtech. The position will be based in the City of Griffith, NSW.

Initial enquiries should be directed in writing, along with academic achievements, to:

Flavourtech Pty Ltd

PO Box 413, Griffith NSW 2680

E-mail: electrical@flavourtech.com

Applications close Wednesday 23rd December 2020.
