## Draftsperson

Flavourtech is an Australian company which manufactures process equipment for the food and beverage industries. The company is enjoying substantial international success with its unique Spinning Cone Column and Centritherm Evaporator technology.

Flavourtech was recognized by NSW Business Chamber Awards as State Winner for Excellence in Business in 2017 and was also a winner of the Australian Export Council State Award for manufacturing in 2017.

An opportunity exists for a suitable person to join the Engineering team at Flavourtech. The role entails a range of tasks including:

- Preparing plant layouts to suit customer requirements.
- Designing equipment & detailing fabrication drawings for the workshop.
- Liaise with Project Managers & Tradesmen.

The candidate appointed to this role should have the following attributes and qualifications

- Preferably an experienced mechanical draftsperson however consideration will also be given to candidates with a sound drafting background.
- A high level of proficiency in Autodesk's Inventor and Excel is imperative or experience with AutoCAD and other 3D drafting software would be well regarded.
- Ability to collaborate effectively with others and well developed oral and written communication skills.

Experience in the Food and Beverage Industry or Chemical Process Industry would be considered an advantage, but not essential.

A salary package will be negotiated commensurate with qualifications and experience.

The position will be based in the City of Griffith, NSW.

Initial inquires should be directed in writing to:

Flavourtech Pty Ltd

PO Box 413, Griffith NSW 2680

E-mail: [rgalluzzo@flavourtech.com](mailto:rgalluzzo@flavourtech.com)

Applications close Monday the 29<sup>th</sup> March, 2018.
